## **CORPORATE INFORMATION**

World Bicycle Relief Australia Limited (WBR or “the Company”) is a non-profit company limited by guarantee and registered with the Australian Charities and Not-for-profits Commission.

The Company’s objective is to relieve the needs of people living in impoverished or disaster-stricken areas of the world by the provision of bicycles to enable them to access education, employment, healthcare and other essentials of life.

The Company’s Board members include representatives of World Bicycle Relief an international, non-profit organisation that specialises in large-scale, comprehensive bicycle distribution programs to aid poverty relief in developing countries around the world. Its programmes focus primarily on education, economic development, health care and gender equality.

**WORLD BICYCLE RELIEF AUSTRALIA  
ABN 85 610 648 612**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of World Bicycle Relief Australia (the "Company") for the year ended 31 December 2021 were authorised for issue in accordance with a resolution of the Directors on 02 May 2022.

World Bicycle Relief Australia is a Company limited by guarantee, incorporated and domiciled in Australia, registered with the Australian Charities and Not-for-profits Commission and under the Charitable Fundraising Act 1991.

**Basis of Preparation**

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, Australian Charities and Not-for-profits Commission Act 2012, Australian Charities and Not-for-profits Commission Regulation 2013 and the Charitable Fundraising Act 1991.

**Historical cost convention**

The financial report has been prepared on an accrual basis and is based on historical costs, modified by the revaluation of financial assets for which fair value basis of accounting has been applied.

The following is a summary of the material accounting policies adopted by the Company in the preparation of this report. The accounting policies have been consistently applied, unless otherwise stated.

**Going Concern**

The Company had a surplus of \$202,498 for the 31 December 2021 year, and was in a net asset position of \$158,711 as at 31 December 2021.

The Company also had an at call liability owing to its international controlling entity of \$189,748 as at 31 December 2021.

The ability of the Company to continue as going concern and meet its debts and liabilities as and when they fall due is solely dependent upon the financial support of the international controlling entity.

World Bicycle Relief, NFP (US) has confirmed to the Directors of this Company its intention to not call the loan due to it by this Company and that it will continue to provide financial support to this Company, including that it will provide additional loan funds to this Company as and when needed sufficient to enable this Company to meet its debts as and when they fall due, for at least 12 months from the date of signing of this financial report.

If the financial support to this Company from World Bicycle Relief, NFP (US) was to be withdrawn or not provided as outlined in its confirmation to the Directors of this Company, there is material uncertainty that this Company would remain a going concern.

The financial statements have been prepared on a Going Concern basis as the Directors expect the financial support as outlined above, will continue.

**Accounting Policies**

**(a) Income Tax**

No provision for income tax has been raised as the Company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997. The Company is endorsed as a Deductible Gift Recipient pursuant to Subdivision 30-20, Item 1.1.6 of the Income Tax Assessment Act 1997.

**(b) Cash and Cash Equivalents**

For the purpose of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net of bank overdrafts.

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**(c) Trade Payables**

Trade and other payables represent liabilities for goods and services provided to the Company prior to the year end and which are unpaid.

**(d) Employee benefits**

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Expected future payments are discounted using national government bond rates at balance sheet date with terms to maturity, as closely as possible, to the estimated future cash outflows. Contributions are made by the Company to employee superannuation funds and are charged as expenses when incurred.

**(e) Revenue recognition**

**i. Revenue recognition policy for revenue from contracts with customers (AASB 15)**

AASB 15 requires revenue to be recognised when control of a promised good or service is passed to the customer at an amount which reflects the expected consideration.

Only service arrangements subject to a contract and with sufficiently specific performance obligations can be accounted for under AASB 15.

Revenue, when and if accounted for under AASB 15, is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price
5. Recognise revenue

**ii. Revenue recognition policy for revenue streams for which there are not sufficiently specific performance obligations and accounted for AASB 1058, and other revenue.**

**Revenue from fundraising**

*Donations, legacies and bequests*

Donations, legacies and bequests collected are recognised as revenue when the Company gains control of the asset.

**iii. Other income**

**Other revenue**

Other revenue relates to the sales of goods in relation to the sale of merchandise during events held throughout the year. Revenue is recognised on date of receipt.

**Realised foreign Exchange Gain**

Foreign exchange gain is recognised when World Bicycle Relief makes repayments to the intercompany payable to the parent company in the United States.

**WORLD BICYCLE RELIEF AUSTRALIA  
ABN 85 610 648 612**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2021**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**(f) Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to a particular category they have been allocated to activities on a basis consistent with the use of the resources.

**(g) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

**(h) Critical accounting estimates and judgements**

The Directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Company.

# Independent Auditor's Report

## To the Members of World Bicycle Relief Australia Limited

### Report on the audit of the financial report

#### Opinion

We have audited the financial report of World Bicycle Relief Australia Limited (the "Registered Entity") which comprises the statement of financial position as at 31 December 2021, the statement of profit or loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the Responsible Entities' declaration.

In our opinion the financial report of World Bicycle Relief Australia Limited has been prepared in accordance with the requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- a) giving a true and fair view of the Registered Entity's financial position as at 31 December 2021 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

#### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Information Other than the Financial Report and Auditor's Report Thereon**

Those charged with governance are responsible for the other information. The other information comprises the Principal Officer's Declaration.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Responsible Entities for the financial report**

The Responsible Entities of the Registered Entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, the ACNC Act and the Charitable Fundraising Act 1991, and for such internal control as the Responsible Entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Responsible Entities are responsible for assessing the Registered Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Responsible Entities either intend to liquidate the Registered Entity or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Registered Entity's financial reporting process.

### **Auditor's responsibilities for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Registered Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Responsible Entities.

- Conclude on the appropriateness of the Responsible Entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
